## Classroom Rules

1. Be on time
2. Stay on task
3. No food, snacks or candy.
4. Keep hands, feet and objects to yourself
5. Do not keep the teacher from teaching. Do not keep a student from learning
6. No cell phones, Earbuds, AirPods or additional handheld devices unless directed by the teacher.
7. Research only school **APPROPRIATE** material. Record only school appropriate material (with both videos and voice-overs).  
***There is no verbal warning for this rule. You will be removed from the class.***

**MISBEHAVIOR** is defined as “anything disruptive to the smooth operation of the classroom.” My procedure for dealing with misbehavior is a step-by-step process. Each step is a part of a sequence that leads to more severe consequences. The procedure includes these steps.

1. Teacher gives the student a verbal warning.
2. Teacher conducts an individual conference with the student. The goal is to have the student stop the inappropriate behavior.
3. Teacher assigns a 20 minute detention after school (with a writing assignment) and contacts a parent.
4. If misbehavior continues, the student will be given another detention as in number three. Assistant Principal is notified of the students continuing misbehavior.

**REMEMBER:** If you behave, you will never have to worry about the consequences for misbehavior. Our goal is to learn our content in an atmosphere of mutual respect and understanding.
